Truck Overturns Off South Main Street

Ken Crompton and his Shawsheen Motor Mart crew moving the Marland Dairy milk truck, which, loaded with empties, tipped over in a field off South Main street Tuesday morning when it was reportedly forced off the road by another car. Personal injuries were slight, but it took the Motor Mart wrecker and a few trucks, to say nothing of a telephone pole, to return the truck.

League Decides On Next Year's Program

The Neutrality Law with its proposed amendments, and Secretary Hull's reciprocal trade agreements as they affect Massachusetts, will be two of the most important subjects for consideration and study on the program of the Andover League of Women Voters for next year. The program was decided upon at a meeting of the Board of Directors of the Andover League, held Tuesday morning at the home of Mrs. Frederick Butler, President. The Board has chosen from the program of the State League those items which it considers of most vital importance to American women today.

Besides foreign policy, the program includes consideration of the position of women in a democracy, a study of public education, public welfare and civil service in Massachusetts, and a proposed meeting to consider the Town Warrant. Luncheons with noted speakers are planned in addition to several interesting study groups led by members of the League, to gain by study a fuller understanding of current affairs and problems in the town, state and federal governments. The League year will open with a luncheon meeting next October.

MISS ABBOTT'S RECITAL

The pupils of Miss Marion L. Abbott will give their annual piano recital on Monday, June 19, at 7:30 in the Junior High school music room. The public is cordially invited.

Present Old Flag To Public Schools

Wednesday morning Flag Day exercises were held at a combined assembly of the junior and senior high schools, with American Legionnaires Thomas Dea, commander; Garrison Holt, and David Walde representing their organization, while Mr. Sherman, principal of the junior high and Mr. Hamblin, senior high principal, represented the two schools.

Mr. Hamblin opened the exercises, following which Commander Dea presented the old G. A. R. flag to Punchard. This flag had been presented to the Legion by the few remaining members of the G. A. R. at exercises just twenty years ago this year, on September 6, 1919.

Warren Richardson, president of the 1938-1939 junior class, gave a short extemporaneous speech accepting the flag for the school, then led the assembly in a salute to the flag.

Oldest Resident, Mrs. C. C. Carpenter, Passes Away

Services in memory of the long life of Mrs. Charles C. Carpenter were held Monday afternoon at the South church, conducted by Rev. Frederick B. Noss. Mrs. Carpenter, who lacked six weeks of completing her 99th year, was the oldest person in Andover. Graduated at Mount Holyoke in the class of 1861, she went as a bride to Labrador, with her husband, who was the first missionary to that coast, since so well known through the work of Dr. Grenfell. Her life continued full of constructive activity. In a school for mountain whites in Tennessee, in small New England pastorates to which Mr. Carpenter was called, since 1885 in Andover. Mr. Carpenter was the first editor of the Townsman.

She leaves two daughters, Jane B., Keeper of Alumnae Records at

Abbot Academy, and Miriam F., Dean of Wheaton College, five grandchildren, and twelve great-grandchildren. Three sons have died, George Rice, for many years professor in Columbia University, Charles L., vice-president and General Manager of Central Aguirre, Porto Rico, and William P., long a teacher in the Mechanics Arts High School, Boston.

THE ANDOVER TOWNSMAN

Established 1887

Published on Thursday at Smith & Coutts Co., 4 Park Street, Andover, Mass., by Elmer J. Grover.
Entered at the Andover Postoffice as Second Class Matter.

What's Wrong With Us?

Haven't you ever been envious when you've heard of other towns holding big Fourth of July celebrations, attracting crowds from miles around? Haven't you ever said to yourself: "Why can't Andover have that kind of a celebration? What's the matter with our town?" Haven't you yourself dashed off to see the fireworks, the bonfire, the horribles parade in other towns?

Of course you have. This year somebody is doing something about it. The Andover Men's club, one of our really worth while organizations for young men, is spending a lot of time trying to arrange a program that Andover and other towns will be talking about until the next Fourth. But they're going to need your help. Already the merchants have willingly chipped in—they always do. All that you're being asked is to buy a tag for a quarter, and if you have any more you could contribute it to a really worthy cause. But at least buy a tag; it'll mean a good time for you, a good time for others, and a good name for the town.

Ventilation Plus Noise

We know the school committee has no money this year to spend on repairs; we know that the particular job we have in mind is no fault of the school committee's and the expense of it should probably not come out of their budget. And yet sooner or later something must be done so that that very expensive, highly-touted ventilation system in the auditorium can be used for ventilation. Whoever installed it should be asked to come here and show why it doesn't work

—and then make it work. Some 800 friends of Punchard's graduates sweltered there Tuesday night while listening to honor essayists, and when the fans were turned on, you couldn't hear the speakers. A ventilating system in a public auditorium that makes so much noise that nobody can be heard is no credit to the firm which makes that system. It would be to the firm's advantage to correct the trouble.

IN MEMORIAM

Feronia Rice Carpenter
1840-1939

Those who heard that single triumphant "Alleluia!" during the service for Mrs. Carpenter recognized it as the characterization fitting her valiant years. To few of us is it given to look back over the hills and valleys of nearly a century of endeavor and accomplishment. Missionary at twenty-one, loyal wife, home-maker, proud and devoted mother, teacher, wise counselor and friend—those years included the heights and depth of human experience.

Her cheerful courage and her Christian faith were indomitable. Physical circumstances never influenced her outlook; to her an obstacle was merely a fresh opportunity. Her influence touched the lives of many, and touching, left always the imprint of an unusual and most lovable personality. Even when her health began to fail, her mind, always keenly alert, was as clear as ever. Her interest in people never lessened—such a kindly, tolerant interest. She kept in touch with what was going on in the world, and her clever, original comments, often with a sudden unexpected twist of humor, were unforgettable. It was fun to talk with Mrs. Carpenter. It was a privilege to count her as a friend.

Character—the only permanent value any of us can wrest from the struggle of this transitory life, the only possession we can take with us when we go, the only lasting impression we leave behind us—to her daughters, to her grandchildren, to all who knew her, Mrs. Carpenter left that which endures through life and beyond death.

SLATTERY CLASS PICNIC

The Margaret Slattery Class of the Free church enjoyed a picnic at Mrs. Dana Clark's camp, Braetop, at Little Neck, Ipswich, yesterday. Swimming and games increased appetites for the hamburgs and weenies cooked over a beach fire.

After sunset, the members gathered in the cottage for their regular business meeting. Plans were completed for the week-end at Camp Onway and for the Free Church fair to be held on Thursday and Friday, October 19 and 20. It will take the form of shoppes on a village street, and all members and organizations of the church will participate.

Legion Juniors To Play Tonight

The local Legion junior baseball team will open its regular league season tonight when it entertains the Lynn team at the playstead at six. Chairman Howell F. Shepard will throw out the first ball, and selectman J. Everett Collins will catch.

Season tickets for all home games are on sale and can be obtained from members of the post. A pocket guide, with names, numbers, positions, ages and weights of all the players on the club has been prepared and will be distributed at the game.

The team will be coached this year by Russell Bishop. He has had the boys out regularly since the high school season closed and expects a strong aggregation.

There will be a veteran infield and some of the outfielders have had some experience, but the ques-

tion mark will be in the box. With Ferguson as the only experienced pitcher, it will be necessary to develop someone else to take some of the burden off his shoulders. Coach Bishop thinks that the catching will take care of itself as the season progresses. If another pitcher cannot be found, Howard Proctor, who switched from the box to catcher for the high school and became the leading backstop in the suburban league, may have to adjust his toe cap and go back on the mound.

Legion Juniors To Play Tonight

The local Legion junior baseball team will open its regular league season tonight when it entertains the Lynn team at the playstead at six. Chairman Howell F. Shepard will throw out the first ball, and selectman J. Everett Collins will catch.

Season tickets for all home games are on sale and can be obtained from members of the post. A pocket guide, with names, numbers, positions, ages and weights of all the players on the club has been prepared and will be distributed at the game.

The team will be coached this year by Russell Bishop. He has had the boys out regularly since the high school season closed and expects a strong aggregation.

There will be a veteran infield and some of the outfielders have had some experience, but the ques-

tion mark will be in the box. With Ferguson as the only experienced pitcher, it will be necessary to develop someone else to take some of the burden off his shoulders. Coach Bishop thinks that the catching will take care of itself as the season progresses. If another pitcher cannot be found, Howard Proctor, who switched from the box to catcher for the high school and became the leading backstop in the suburban league, may have to adjust his toe cap and go back on the mound.

Briggs-Allen School Holds Closing Exercises

The South church vestry was a happy, busy place Wednesday morning when the Briggs-Allen school had their Closing Day exercises. The program was one of great interest from start to finish. Robert Cowden, who gave the welcome, is the second generation to be a member of the Briggs-Allen school. The music under the direction of Mrs. H. A. Morse showed that even young children appreciate the masters Bach and Mozart. Kenneth Tomlinson, who sang delightfully between scenes, was trained by Mrs. Morse. The Toy Symphony, with Robert Savage as conductor, was much appreciated and showed excellent rhythmic training.

The play, "How Boots Befooled the King," an old fairy tale dramatized by Mrs. N. P. Hallowell, Jr., gave great joy judging from the delighted squeals of the small children. Mrs. J. A. Burt, the efficient coach, has every reason to be proud of her cast for each child did well.

The Kimball youngster, scheduled to play Peter, was ill and unable to take her part, and the play had to be recast. In the emergency

the work of Lorita Dewart, Edith Flathers and Ruth Brimer was outstanding. Others in the cast were: C. Paradise, E. Beck, M. Darling, L. Phillips, S. Darling, J. Gage.

Miss Marland's clever stage setting added to the play. Costumes were planned by Mrs. Hallowell aided by others.

In addition to the many group songs, M. Curran, E. Rowland, F. Flather and L. Dunnells gave solos.

Miss Castle and Mrs. Cowden arranged in a deft manner the many gifts of flowers.

The prizes are always a pleasant surprise. The spelling prizes were as follows:

Grade II, Noelle Blackmer; Grade III, F. Flather; Grade IV, Lorita Dewart; Grade V, Edna Beck; Grade VII, Carol Paradise.

Attendance Prizes:

Ruth Brimer, Margaret Kimball, and Kenneth Tomlinson.

Herbarium: John Kimball.

Amy E. Briggs Prize, to the one who has made the greatest improvement during the school year, Lila Phillips.

the graduates, will parade to the Cochran Chapel where initiation exercises of the Cum Laude Society will be held and the Cum Laude address will be given by President Fred Engelhardt of the New Hampshire State University. Seniors Enjoy Class Supper

"If all the class statisticians were laid end to end," concluded the very statistical Thomas Burns at the Punchard class supper Monday evening, "it would be a swell idea." The other 117 '39ers showed by their applause that they preferred their particular statistician to be just as he was.

Tom found that the favorite song is "The Angels Sing," the class of '39's choice for presidential timber is Tom Dewey; Errol Flynn and Richard Greene tie for first place as leading attractors in the cinema world; and "In the comedian class Jimmy Durante beat Cal Deyermond by a nose."

According to the class prophet Solveig Haakonsen, the present town officers had better look out, because Bob Towne is soon to be tax collector and Kenny Gordon will succeed Mr. Emerson as Fire Chief. Red Addison, however, is making a place for himself as Mayor.

The Advice to the Undergraduates was comparatively benevolent although Donald Easdon managed to slip in a few barbs that were taken in good spirit. Marjorie Higgins bequeathed only the most acceptable gifts on the under classmen in the '39 Will, and she very thoughtfully left the Chemistry class a generous amount of clothespins to lessen the effect of "rotten egg" gas.

Philip Wormwood cleverly traced the highlights of the last "four-year class" at Punchard in verse form closing with the lines: "Four years of cherished wisdom we've stored up in our mind. Gathered here in Punchard, the best school you can find. Make use of all this knowledge; it will help to light the way. When the road grows dim and gloomy after graduation day." Douglas Howe was toastmaster at the banquet and introduced each of the speakers. Myron E. Gutterston was the guest of honor. Following the singing of the Punchard Ode, the class adjourned to the gymnasium where there was informal dancing.

Hope Humphreys, daughter of Mr. and Mrs. J. G. S. Humphreys of Holt road, has finished her first year at the affiliated Child-Walker School of Design in Boston where she is specializing in illustration.

Punchard Prom Very Successful

Apache dancers at the Junior-Senior prom last Friday night? Not intentionally but the floor was so slippery that many couples were almost de-faced by the threat of a forced landing.

Glamour, first made famous by the Senior Revue, was accented by lovely gowns and spirit of excitement that invaded the auditorium. The hall itself was artistically arrayed in colored streamers and bright Japanese lanterns. A gypsy tent and campfire in the center of the floor probably was the reason that the couples were all imbued with the desire to wander to far corners of the earth, but since their time was limited, they were satisfied with the nearby beaches and Canobie Lake.

Mr. Nathan C. Hamblin, Mr. and Mrs. Henry C. Sanborn, Mr. and Mrs. Eugene Lovely, Miss Agnes Dugan, Junior host and hostess George Brown and Bernice Mundy, Senior host and hostess Norman Drouin and Dorothy Cederberg, members of the receiving line, greeted the students as they came into the auditorium and then the entire assemblage joined in a grand march.

Refreshments were served in the cafeteria.

TENDER SHOWER TO PUNCHARD GRADUATE

Miss Doris Winward was surprised by a miscellaneous shower Wednesday evening at the home of Mrs. Benjamin Locke of Highland road. Miss Winward, daughter of Mr. and Mrs. Alex Winward of North Main street, graduated from Punchard Tuesday evening and will be married to John Smith of Shawsheen road tomorrow evening.

Those who attended the shower were: Doris Winward, Freda Scott, Isabel Vannett, Lillian Locke, Loretta Walsh, Phyllis Whitaker, Marjorie Shaw, Constance Spinella, Mrs. Robert Mills, Jr., Ruth Lister, Mrs. Herbert Lewis, Mrs. Roger Lewis, Mrs. Arthur Peatman, Mr. and Mrs. Benjamin Locke and Mrs. Locké.

Beatrice Tyer, daughter of Mr. and Mrs. Henry G. Tyer of Sunset Rock road, has completed her year's study at the Stuart School in Boston.

Dr. Fuess Decries Fatalistic Attitude

Dr. Claude M. Fuess advised the graduating class of Phillips against defeatist or fatalistic attitudes in facing "a world out of joint" in his Baccalaureate sermon at the Cochran church last Sunday. He warned the graduates not to be like Hamlet, but to be glad that they had an opportunity to go out in the world and help to straighten out the chaos.

Musical selections by the choir and by the entire congregation, led by Professor Carl F. Pfattelcher, were also included in the service.

Former Andover residents seen in town during Abbot Commencement or shortly before included Miss Maud Belknap of Boston, Mrs. Mary Marland Littleton of Malden, Mrs. Elsie Gleason Buckingham of Boston, Mrs. Edna Francis Levitt of Needham, and Mrs. Polly Francis Loesch of Danvers.

WHO'S *REALLY* GOT IT *ON THE ROAD?*

Action speaks louder than words! Here are the results of the 3 leading competitive automobile road tests held so far in 1939 . . .

Last January, in the famous 315-mile Gilmore-Yosemite Road Run, an 85 h.p. Ford V-8 gave best gas mileage of *all* leading low-priced cars, with 24.57 miles per gallon! (Ford-built Mercury 8 also surpassed the low-priced sixes in gas mileage in this run!)

At Buenos Aires in April, 69 cars, including all leading low-priced American makes, started the annual 4515-mile South American Grand Prize Race. 28 cars finished the tough mountain course. Ten of them were Fords, including the winner with an average of 50.6 miles per hour!

In March, in the savagely contested Daytona Beach Race over 150 miles of road and sand, a Ford-built Mercury 8 took first place, averaging 70.34 miles per hour . . . while Ford-built cars took all the other prize-winning places! A clean sweep for the V-8 engine as built by Ford!

No wonder it wins . . . look what it's got!

ONLY V-8 ENGINE in any low-priced car!

BIGGEST HYDRAULIC BRAKES in any low-priced car!

STEADIEST-RIDING CHASSIS in any low-priced car!

PRESENT OLD FLAG

(Continued from Page 1)

Principal Hamblin told the assembly that it is ties such as this presentation of the flag that binds one generation to another. Mr. Sherman thanked the Legion for all it has done for the town, its citizens, schools, and particularly the younger generation. He mentioned the junior Legion baseball team, as an outstanding example and said that the junior high is offering a cup to the boy with the highest batting average on the junior Legion team this season. Following a few notices by Mr. Hamblin, the Punchard undergraduates went back to take the final exams.

The patriotic program was opened with the selection "America," and later on the assembly sang "The Star-Spangled Banner," to Miss Marshall's accompaniment on the piano.
